

R+Lale-1764

Dear Mother: Just right.

Here we are in Del Mar
and will go to San Fran-
isco and Long Beach before
going in to L.A. tomorrow.
We had to have a little
work done on the car to-day
but nothing serious. We
looked for surgeons today
but weren't much impressed.
However, we did see where
I might spend the time at
the Marine Corps base.
Have a grand place to stay
throughout everything is
settled. Hope you permit
all of it. Having a wonderful
time with it, mother & sister
